

SCRAMBLED DIAMOND by Mark Lagasse

British author Peter Lovesey (who died in April of last year) achieved considerable success by chronicling the adventures of Peter Diamond, a police detective in Bath. Now, just as Diamond can always untangle the mysteries in his whodunits, we're asking you to untangle the titles of some of his novels. Simply unscramble the letters of each numbered entry to spell the name of a Peter Diamond book. For example, "ADMIT NO DUDS" would be *Diamond Dust*.
