

SCRAMBLED HITCHCOCK STARS I by Mark Lagasse:

As a director, our hero Alfred Hitchcock attracted a lot of talented collaborators, both in front of and behind the camera. Naturally, performers vied to work for the cinematic legend, and we're going to highlight a few here. Simply unscramble the letters of each numbered entry to spell the full name of an actor or actress who appeared in at least one Hitchcock film (some other stars will appear in the next issue's puzzle). For example, LATTER HERMIT would be Thelma Ritter.

1. TEAMSTER'S JAW
2. RAY IS ODD
3. OLD ROTARY
4. KEG, CLEARLY
5. MANY A DRILL
6. HEALING JET
7. CURE DR. BEN
8. SEEN ANY CORN?
9. LARGER, GREY FAN
10. A BANK CLERK
